Temporary Bus Pass Notice

9-8-17

Dear Students and Families,

This correspondence only pertains to those students who live outside of the identified school radius, 1.5 miles for our middle school students and 2 miles for our high school students.

A temporary bus pass has been issued to you (your child) as official bus passes have not been received. This pass will be valid for five (5) school days from issuance, which will be replaced via an official bus pass.

I also want to continue with the transparency relative to our correspondence with Erie's Public Schools (EPS). The official passes will be available within a week. However, the radius was generated by our school management system and not EPS. At this point, I cannot confirm that those distances will be generated in the same manner from EPS. While I do believe they will be accepted as is, I want to provide you this information as a precursor should a discrepancy arise.

Thank you for your patience and understanding in this transportation matter. Should you have any questions please contact your building Principal.

Respectfully,

Dr. Nick Viglione
CEO
