Panorama Student Survey Notice

Dear CSE Families,

We thank you and your family for being our valued partners as we work together to educate the children in our district. As you may already be aware, building our social-emotional learning skills is an important goal for our school system. During the survey window of **January 8 - 19**, we will be asking for your child to reflect on their own mindsets and approaches to learning via an online survey. The survey shouldn't take more than 20 minutes to complete.

The survey content will ask students to self-reflect on topics regarding school safety, growth mindset, school climate, social-emotional factors, and learning environment.

We are asking that all of our students participate in the surveys, as their responses will provide invaluable insights into their experiences and how we can improve and adapt our school system to their needs. If a student doesn't feel like they have enough information to answer a question, they will be able to skip the item altogether. The responses to these surveys will be completely confidential.

Please notify us if you would like your child to opt out of taking the surveys by filling in your name and your child's name below and return it to school by **January 5, 2024**.

If you have any questions about the survey, please don't hesitate to contact us at 814-480-5954.

Sincerely,

Submit this form to the Principal prior to the start of the survey.

I do not want my child to participate in the survey.
